

# AACN Electronic Procedure Manual for Critical Care Nursing

This title can only be purchased through licensing! The reliability of the AACN Manual for Critical Care, plus the convenience of customization all in one! Endorsed by the American Association of Critical-Care Nurses, this comprehensive manual on CD-ROM encompasses 135 of today's key critical care nursing procedures, including 22 performed by advanced practice nurses. The CD-ROM includes the full text of the book and follows its organization for easy navigation. Each procedure features a consistent, step-by-step format with state-of-the-art information and supporting rationales - all with a strong research base. You can customize each portion of each critical care procedure, including: procedures, patient monitoring and care steps, and headers and footers. The convenience of this product also allows the user to save different versions of each procedure and print all or part of the procedure. Plus, each CD-ROM comes with a copy of the print version of AACN Procedure Manual for Critical Care, 4th edition for handy reference.
