

From the Dance: Classic Guitar/Solos

This delightful collection for the classic guitar features music normally associated with dance - the universal form of human expression. In many cultures dance has long been utilized for everything from social engagements to religious rites. These guitar arrangements offer a vast array of dances, from the gypsy melodies of Hungary to the South American tango, giving insight to one of the formative elements that has shaped music for centuries. Written in standard notation and tablature. Free audio files available.
