

Being a Project Sponsor (The TOP 10 TOPics Collections)

The role of a project sponsor can be claimed by an executive or assigned by the board or executive committee. When you are appointed as a project sponsor the role comes with full accountability but a dearth of support. In this book we give you a series of insights into what the role is and how it needs to be performed. A sponsor walked into a bar... describes what can happen to a sponsor if they just follow the orthodox approaches to project delivery - they will suffer the consequences. Whereas The project sponsor as owner describes the role played by the owner of a massive skyscraper - which describes exactly what a sponsor should do. And much more. For a quick insight into project sponsorship and what is required to be successful, this is essential reading.
