

The Pioneering Image: Celebrating 150 Years of American Photography

This collection of 100 outstanding American photographs celebrates achievements in the medium of photography over the past 150 years. Working with the prestigious collection at the Library of Congress, the author/editor has chosen superb images representing the contributions of such masters as Mathew Brady, Walker Evans, Edward Steichen, Man Ray, Dorothea Lange, and Ansel Adams to the rich pictorial heritage of a growing nation.
